

THE FAVOURITES:

The Brooklyn Nets are the clear favourites to win the championship this year. With a star-studded roster that includes Kevin Durant, Kyrie Irving and James Harden, they are a force to be reckoned with, though they missed a vast number of games during the past regular season due to injuries, but they are expected to be healthy and be one hundred percent fit and ready for the playoffs. They are my favourites to win the playoffs and bring success home to Brooklyn.
